*James 5:7-8: "Be patient, then, brothers and sisters, until the Lord's coming. See how the farmer waits for the land to yield its valuable crop, patiently waiting for the autumn and spring rains. You too, be patient and stand firm, because the Lord's coming is near."*

### **Who Defines What Ministry Is?**

God is certainly moving in our midst at Round Hill Church! I have the privilege of knowing about a lot of the ministry that happens...but not all of it. So recently, someone asked me what is the definition of ministry? Practicing the Socratic Methodology of teaching (answering a question with a question), I asked, "What do you think it is?". Their answer was a great one...from their point of view.

You have recently reminded me that ministry is more than your point of view; it is who, what, when, where and how God calls you into the lives of others. So, for each of us ministry looks different. God responds through us differently, into the lives of others.

With the recent passing of my Mother, I experienced firsthand you ministering to the Rinker family. You have prayed, you have sent cards, texts, emails. You called us, you visited her when she couldn't respond, you dropped off food, sent paper plates, picked up my favorite mother-in-law and took her to Bible studies and lunch. You hugged us, shook our hands, covered workload, forgave me when I missed a deadline, gave me grace when I was overwhelmed, and you looked at us with love and empathy in your eyes when there were no words – yeah, ministry really is personal AND believe me, ministry really does matter!

So the little and the big that you do matters to others. Ministry has many definitions and ministry really does matter ... God is certainly moving in our midst ... and He is using you to do it! Be available, be faithful and be in ministry. God defines ministry with, by and through you! You really are Jesus' hands and feet!

*Philippians 1:9-11 And this is my prayer: that your love may abound more and more in knowledge and depth of insight, so that you may be able to discern what is best and may be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ – to the glory and praise of God.*

## FACILITIES

The RHC Facilities Committee met Sept. 7, 2023. We reviewed several estimates we received and recommended to the Church Board:

- 1- Zeiset Painting of Chambersburg PA to paint Church Roof / Soffit/exterior window frames (\$26,310.00)
- 2- Smokes Flooring Service to replace Carpet in youth stairway/fellowship stairway/and upper office hallway (\$4,478.00)
- 3- Athey Floor Sanding, to sand and refinish hard wood floors in youth wing upper hallway and classrooms, after we remove the carpet. (\$7,200.00)
- 4- Have new custom-built cabinet at rear of sanctuary.
- 5- Paint and update the Youth Wing classrooms with smart TV's, New Dri-erase Boards, better storage cabinets, new window blinds, and some needed furniture in each classroom.
- 6- At the request of Youth Director, remove wall in youth room, we can do most of that work.
- 7- Misc. furniture requested by Assessment & Needs committee, small table in hallway, corner tables in Narthex, small tables at each Offering Box location, some tables for room 204, etc.

The Facilities Committee asked the Church Board to allocate \$50,000.00 towards all the improvements and upgrades. The Church Board approved the request.

For the next several months we will be doing several construction projects to get all these accomplished, please be patient as we make improvements to the church. We will be doing our best not to inconvenience anyone. The Lighted Cross on the end of the building has been painted and new LED backlight installed, the records storage closet is almost finished, allowing us more on-site records storage than we had before. We continue to remove some items throughout the church building not being used and relocate a few items that need to be in the building. We continue to make the necessary changes as the new church grows.

The Facilities Committee is working with the Safety Team and Church Board to make improvements to our present church safety program. It is working as designed, but we need more people on the team, more training for team and church members, plus available safety information for our visitors and newest members. If you have any interest in being a part of the safety team, please see Rocky Keplinger.

If you need a place to store something, please see Rocky Keplinger or Joe Salyer so we can help you with your needs without taking someone else's storage place.

Lately we have been experiencing fruit flies and other insects in our facilities. We have noticed that people using the church don't always empty the trash before leaving. It is very important that if you are having a function at the church, you must empty all trash into our outside dumpster before leaving, even if the trash bag is not full. Our church cleaning staff only comes once a week (normally on Saturday) and we must keep the church clean for the next group. The pavilion and church building are available for use, please make sure you fill out a use form and check with the church office on availability for the date you want to use the fellowship hall or pavilion.

If you have any questions, please feel free to contact anyone on the Facilities Committee or the Church Secretary.

Committee Members: Rocky Keplinger (Chairman) Kirk Clevenger, Jeff McKay, Carter Painter, Kate Snapp and Mike Prelip

## Calendar Collection—Staci Painter

If you get an over-abundance of calendars for 2024, please save them for me. Our patients really need calendars to keep track of their treatments. I know once you donate to an organization, they send you gifts, a lot of times it is a calendar and you find yourself with more than you need. Please don't throw them away. I will be happy to take them off your hands.

## Nurse Attendant Needed

Round Hill Church is actively looking for a permanent nursery attendant on Sunday mornings during the Worship and Sunday School hours (7:30am — 11:15 am).

The church Nursery Attendant is responsible each Sunday for the care of infants and toddlers from birth to 3 years of age. The focus of the position involves loving children, and modeling Christ to them. The employee will supervise and help schedule volunteers to assist with the nursery. CPR Certification and First Aid Training are required (recommended American Red Cross Course).

Upon the interview process, individuals must accomplish Round Hill Church's Child Protection Policy Training and pass an approved background check.

If you know someone who may be interested, please have them contact the church via email at [office@roundhillchurch.com](mailto:office@roundhillchurch.com).

## Annual Bid for Help

Sunday, November 12, 2023

(Time announced at a later date)

Bid for Help is our own "In-House Auction." It is not our intent to solicit outside sources for our auction items.

We ask our congregation to donate "new" or "new home-made" items to be auctioned off with those in attendance. We also accept collectors' items that you might want to part with.

Auction funds are then used to help those within our church family and our community in need throughout the year.

## Family Ministries

### Family Ministries Committee

Everyone who is interested in the education, fellowship, and spiritual growth of our children, youth, young adults, adults, and seniors are invited to attend the Family Ministries Committee meeting Monday, October 2 at 6 pm. ### Fall is Here! - The Maker's
