Hebrews 13:16: "And do not forget to do good and to share with others, for with such sacrifices God is pleased."

Pastor's Corner March 2026

"What's Happening?"

"What's Happening?" did that saying originate with the sitcom from the '70's by the same name? OR do our brains ask that question thousands of times in a typical day?

As anyone on a faith journey, I ask that question a lot. Sometimes I ask, "What's happening with the answer to my prayer from yesterday?" "What's happening to Fred with his health issues?"

Right now, I want you to ask yourself, "What's happening?" in regard to the growth of your faith. Is the depth and breadth of your faith growing? Are you leaning into your faith more frequently? Are you relying more on God and less on yourself?

To ask God "What's happening" isn't necessarily a lack of faith. And it might point to the truth that the more I trust God, that I trust He is good and that I trust He wants the best for me, then the answer is always that He knows what's happening, even if I don't.

Philippians 4:19 And my God will meet all your needs according to the riches of his glory in Christ Jesus.

Now, another "What's happening" question. Have you plugged into what's happening at Round Hill Church? There is always a Bible study, an activity, a mission, a prayer need, plus many other opportunities to grow in your faith and in being the hands and feet of Jesus. It's up to you...I sure hope you'll plug in more and more to what's happening.

Grow in your faith and likeness of Christ!

*Blessings,
Doug*

How To Connect With Wednesday and Sunday's Lessons and Become a Student of the Bible

- ♦ In the newly-formatted Sunday Bulletin, we are publishing Pastor Roy and Pastor Doug's Sermon/Lesson titles with Scripture references.
- ♦ They are published in advance of the lessons in the Monthly Newsletter, Bulletins, Website and in some cases handouts available on a Sunday morning.
- ♦ This will give you an opportunity to study the key scriptures in advance
- ♦ On Wednesday mornings and nights Pastor Roy is teaching from the Old Testament, beginning with Genesis Chapter 1 and Pastor Doug will continue moving through the New Testament each Sunday
- ♦ If you read the entire chapter notated, then you'll soon be reading consistently the Bible, both Old and New Testaments

FACILITIES

Facilities committee hasn't had much to do lately, thanks to all who have been cleaning up after use of the church for events and our building superintendent doing a great job keeping the church clean.

During the winter months, the facilities committee wants to remind everyone, that the Courtyard entrances into the church will be blocked off, if icy and slick conditions are present during church services, using the fellowship entrances and elevator to Sanctuary are your safest options.

We will be having some safety informational classes for our church congregation in the near future. If your small group would like a safety informational class, please contact Rocky Keplinger.

We do ask everyone to please be careful during events in the fellowship hall and pavilion, if you see water on the floor please mop it up as soon as possible, so we don't have a slip and fall hazard. We must watch where we put rugs and electrical extension cords, as they are trip and fall hazards for the people who are attending church events. We must keep all Fire Exits clear and open in case of emergency.

The Blood Pressure checks the 1st and 3rd Sunday's of the month are going well.

If you see something related to the facilities that needs to be addressed, please notify a facilities committee member, telling our very busy Pastors, doesn't always get to the facilities committee as the Pastors are busy doing their jobs and may forget to pass it on to facilities committee.

If you have any questions, please feel free to contact anyone on the Facilities Committee or the Church Secretary.

Committee Members: Rocky Keplinger (Chairman) Kirk Clevenger, Jeff McKay, Kate Snapp, Steve Ayers and Frank Roy.
