

What is Youth Ministries?

- *How do you define youth ministries?*
- *What do you want out of this ministry?*
- *What can you contribute to the success of this ministry?*

The success of this ministry and the lasting effects of a shared faith walk does not depend on the working of one volunteer, but on the combined efforts of a family of believers. We all have our strengths and our weaknesses in how we live out our Christian faith. There are many different ways to learn and to apply the teachings of Jesus, but one constant is the need to work together to achieve success. We have gotten a long way from the successes that we were experiencing prior to the Covid shut downs and it is now time to reorient our efforts to move on. I am asking this year that all of you take a more deliberate interest in the spiritual development of all our kids. The strain that we have experienced going through the past few years have weighed heavy on all of us. We have all had to relearn to interact in groups, and mental health has been a struggle for many over this time. We all need to support each other, and lend an open heart to our neighbors and family. The youth of this church are ready to grow and ready to serve, but they also need to be lifted up and supported in their often-silent struggles. A rejuvenated youth ministries cannot be just a little food & fun on Sundays, but an active, connectional mission to serve the youth of the church who then disciple to the World.

Over the past few years, I have struggled to get help in the planning and running of meetings and mission opportunities. As a parent volunteer, I am trying to provide enough direction for our kids to support their needs. I am not able to give all the time that is needed to nurture and support their spiritual and emotional needs alone. Our demographic is mostly highschoolers at this time and we could really use more people to make connections with all the kids. I am looking for parents and other adults to step in and connect with kids and serve as mentors.

The plan for meetings is to meet for regular devotional/fun meetings twice a month with an extra offsite once every month or two.

The church holds Dart Baseball games on the third Sunday of each month that are a good time, with a devotional, meal, and fellowship for all ages.

This year a confirmation class is being planned.

- Dates & day of the week to be determined through Parent/Student feedback

Activities that I hope to do this year include, but are not limited to:

- Hike/campfire
- Sky zone
- Christmas I Hunt/Amazing Race/Lock in/Gift Exchange
- Skating

Roles that I need volunteers to commit to:

- Meal coordinator
- Of site event organizer
- Mission trip coordinator
- Local missions' organizer
- Games organizer
- Lead devotionals / evening meeting
